

Northwest Athletics

NCAA Signings

The Northwest Athletic Department offers multiple signing ceremonies throughout the year in accordance with the NCAA signing periods. These ceremonies are organized by the NISD Athletic Department staff for the student/athlete who has made the decision to sign a National Letter of Intent. With these programs being a school sponsored function, the NISD Athletic Department works to ensure that all student/athletes have the same experience. This does not prevent families from having private parties or celebrations of their own, just not at the NISD sponsored event. Outside gifts and regalia are not permitted.

The following policies have been put into place to ensure student/athletes are given fair and equitable treatment and outline who is eligible to participate.

- Student/Athletes must be a graduating senior on a current NISD Athletic/UII governed athletic team.
- Student/Athletes must be signing NLI for the sport in which they participated above.
- Student/Athletes must have made a college commitment at the time of the ceremony.
- Student/Athletes must have finished or currently be in good standing with their program.
- Student/Athletes enrolled in the NISD Off-Campus PE Program may be included, as long as, the sport of commitment is the same as the Off-Campus PE sport.
- Only NISD employees may speak on behalf of the signee at the ceremony
